A LEADING MANUFACTURER  
AND INNOVATOR OF  
DIE SETS, PLATE AND DIE COMPONENTS  
SUPPLIED GLOBALLY TO THE  
METAL-WORKING & PLASTICS INDUSTRIES

# THE BRANDS YOU TRUST

- Competitive Prices
- Reliability and Performance
- High Quality Design and Construction
- Outstanding Service and Support

# Anchor Danly

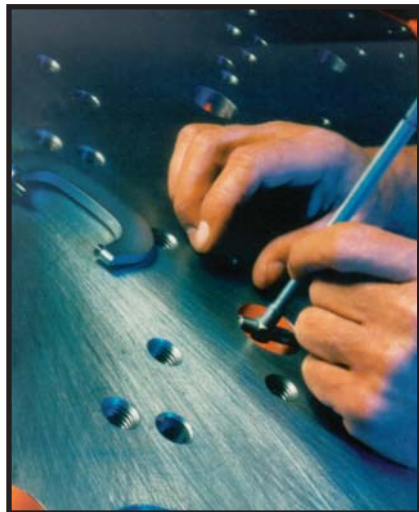

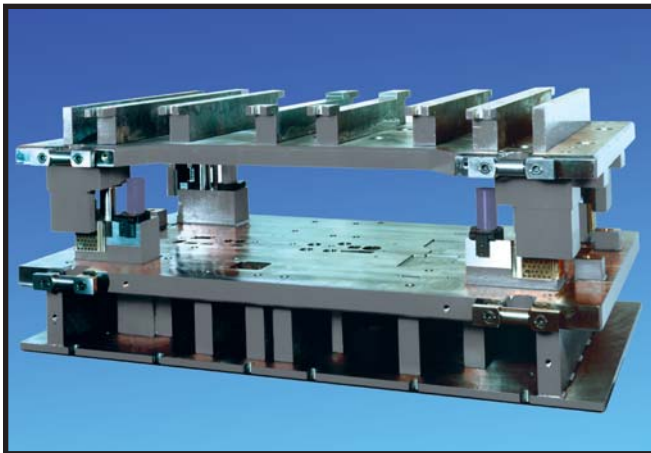

# Anchor Danly

## The Anchor Danly Value Proposition

- **Anchor Danly** is committed to be the “customer focused” world-class supplier of choice in the metal-working and plastics industry. We help our customers to compete globally by providing innovative and value-added products and services.
- **Anchor Danly** offers outstanding quality and delivery on a consistent basis. Choosing **Anchor Danly** as a supplier means that our customers have a competitive advantage in delivering their products to market.
- **Anchor Danly** has extensive manufacturing capabilities at several strategically located facilities throughout North America, Asia and Europe. By providing components and machined-to-order die sets and plates complete to customer specifications, **Anchor Danly** delivers cost effective solutions to today’s global customers.
- **Anchor Danly’s** vast breadth of products manufactured under the brand names of Anchor Die Sets, Danly IEM Die Sets and Components, Lamina Components, LEMPCO, Punchrite and Reliance Fabrications, assures innovative solutions to meet customer specifications. We strive to address customer problems by utilizing our research and development department as well as other technical professionals.
- **Anchor Danly** has a technically trained sales force and distributor channels with engineering support. Sales, marketing and engineering professionals are available to support our lines.

# Anchor Die Sets

- Accu-Bend™ Rotary Benders
- Die Sets
  - Plain & ball bearing sets
  - Wear plate sets
  - Cast sets
- Ejector Boxes
- Kaller® Gas Springs
- Machined and Cut & Ground Plate
  - Adapter plates
  - Bolster plates
  - 1020, 1045 & 4140 materials
- Manufacturing Services
  - CNC machining
  - Blanchard grinding
  - Stress relieving
  - Die set repair

# DANLY IEM

- Accu-Bend™ Rotary Benders
- Air Presses
- Cams
  - Aerial & die mount cams
  - Box cams
